If you would like to go deeper in

your search
your personal journey
your spiritual life

we offer you the option to become a

long term volunteer

for a period of 6 to 12 months

for men and women ages 18-35

You will begin this experience by a month of typical volunteering (please read the information for volunteers 1 to 6 months) which will confirm whether a long term stay is appropriate for you and for the community.

After the first month, you will enter a schedule and rhythm which is more flexible. You will be asked to work 30 hours per week as well as help with the dishes after the meals. Twice a month you will work on Sunday.

You will be accompanied by a sister throughout the length of your visit. The framework for 'au pair' will remain identical to that which is described above but you will also receive some pocket money. During your stay, you are responsible for your own health insurance.

To provide us with more detailed information, we ask you to send us a letter telling us about your motivation to become a long term volunteer.
